

# Richland County Quality of Life Strategic Plan Workbook

2016-2019

# Richland County's Vision for 2020

**Vision:** We envision Richland County as being a healthy community comprised of healthy individuals, economically thriving businesses and a clean and safe place where families can grow.

- Welcoming and embracing
- Sustainable and self-reliant
  - Safe and healthy
- A variety of services to access
- Building and maintaining adequate infrastructure
- Safeguarding clean air and water

## Values

Respect—Communication—Teamwork—Role modeling—Inclusiveness—Open to try new Ideas

*This plan is organized into key areas with goals, indicators/objectives, and strategies.*

1. **Health Behaviors:** Diet and Exercise
2. **Health Behaviors:** Tobacco Use
3. **Health Behaviors:** Alcohol and Drug Use
4. **Health Behaviors:** Responsible Sexual Behavior
5. **Health Behaviors:** Unintentional Injury
6. **Clinical Care:** Quality of Care
7. **Clinical Care:** Access to Care
8. **Social and Economic Factors:** Education, Employment

9. **Social and Economic Factors:** Family and Social Supports
10. **Social and Economic Factors:** Community Safety
11. **Social and economic Factors:** Community Engagement
12. **Physical Environment:** Environmental Quality
13. **Physical environment:** Built Environment and Housing
14. **Infrastructure:** Transportation
15. **Infrastructure:** Local government and Public Health

and Income	
------------	--

## Evaluation Process

## Richland County will meet identified community needs by....

### 1) Addressing Health Behaviors related to Diet and Exercise

#### Indicator

**1.1** Reduce the percentage of people in Eastern MT who engage in no leisure-time physical activity from 25.8% to 22% by 2019. (CDC Community Health Status Indicator, 2015)

**1.2** Reduce the current rate of obesity in eastern Montana from 30.4% to 28% by 2019. (CDC Community Health Status Indicator, 2015[1])

Strategy	Measure	Progress with Dates
A. Build a community center. <a href="#">Active Richland County</a>	-Completion of a feasibility study and building plan -\$1 million dollars raised by 2019.	-Feasibility draft complete +4(ARC September 21, 2016) -2017 through 2018 No Activity for community center
B. Increase opportunities for people to be active in the county downtown areas. <a href="#">Active Richland County</a>	-5 activities (way finding, downtown enhancement) to increase activity in the downtown areas by 2019 -2 additional sidewalks, walking paths, and/or bike paths	-Art Walk June 9-July 9, 2016 ongoing for summer 2017 (ARC) , on going for summer 2018 (ARC) -Trail and Hike Subcommittee (ARC April 2017)

#### Alignment

State Strategic Plan

- 1.1.1 Support worksites and other settings to implement policies that promote and protect health
- 2.2 Promote health by providing information and education to help people make healthy choices.

7.1.5 Maintain and seek resources to support public health programs and the public health system.

## Richland County will meet identified community needs by.....

### 1) Addressing Health Behaviors related to Diet and Exercise

Indicator

**1.3** Increase the rate of adults reporting “I can buy affordable healthy food near my home” from 58.7% to 65% by 2019. (Richland County CASPER, 2015 )

**1.4** Increase the rate of adults reporting “hard to find healthy choices outside the home” from 19.6% to 25% by 2019. (Richland County CASPER, 2015 )

Measure	Strategy	Progress with Dates[2]
<p>C. Address Higher cost of healthy eating</p> <p>1-Work with local vendors to measure, adjust and market healthy alternative price points.</p> <p>2-Partner with community groups to educate and market information. <a href="#">Nutrition Coalition</a></p>	<p>- 6 marketing efforts of healthy alternative price points at local establishments</p> <p>-6 educational meetings with community groups</p>	<p><b>2016</b></p> <p>Healthy Snack Drive for B&amp;G Club-March</p> <p>RCNC signage in local grocery stores-March</p> <p><b>2017</b></p> <p>Quarterly Food Demonstration at Reynolds</p> <p>Healthy Snack Drive for B&amp;G Club-March</p> <p><b>2018</b></p> <p>Healthy Snack Drive for B&amp;G Club-March</p>
<p>D. Teach healthy meal shopping and preparation.</p> <p>1. Social cooking exhibits/classes</p> <p>2. Presentations &amp; talks with local groups</p> <p>3. Focus on personal contribution &amp; accountability</p> <p>4. Share/educate the community through newspaper articles <a href="#">Nutrition Coalition</a>; <a href="#">Lifelong Learning</a></p>	<p>-4 presentations per year (Quarterly)</p> <p>-100 person Attendance at social events &amp; learning opportunities</p> <p>-12 articles/year</p>	<p><b>2016</b></p> <p>Monthly articles in newspapers</p> <p>Active on Social Media, Facebook (50) &amp; Pinterest (60)</p> <p>MOPS Nutrition Talk (27)-January</p> <p>Promo info at Lodge &amp; Cancer Coalition Fundraisers (200)-April</p> <p>“Taste the World” Cooking Demo (20)-May</p> <p><b>2017</b></p> <p>Monthly articles in newspapers</p> <p>Active on Social Media, Facebook (72) &amp; Pinterest (66)</p> <p>Low sugar info booth at Kid’s Carnival (75)-July</p> <p>Pinterest recipe cooking class with food service director (12)-May</p> <p><i>Strategic initiatives:</i> Hometown Humanities, Healthy By Design (Billings) and Americorps member</p>

		<p><b>2018</b>  Monthly articles in newspapers  Continued presence on FB &amp; Pinterest  RCNC partner with B&amp;G club for 3 month long  “Supermarket Sweep” activity teaching elementary aged students about MyPlate, nutrition labels, and healthy food creation (10)</p>
E. Identify ways to market healthy options in local restaurants, stores & schools. <a href="#">Nutrition Coalition</a>	-6 of Local restaurant menu options, grocery store selection and school lunch programs with healthy options	<p><b>2016</b>  Celebrate Nutrition Month March  <b>2017</b>  Current discussion with Reynolds on meal prep delivery &amp; fresh to go options.-Ongoing  Celebrate Nutrition Month March  Quarterly meetings with restaurant &amp; establishment owners/managers</p>

Alignment

<p>Healthy People 2020 ↳ TU-2.1 Reduce use of tobacco products by adolescents</p>	<p>State Strategic Plan ↳ 1.1.1 Support worksites and other settings to implement policies that promote and protect health</p>
---	--

- TU-2 Reduce cigarette smoking by adults
- TU-6 Increase smoking cessation during pregnancy
- TU-11 Reduce the proportion of nonsmokers exposed to secondhand smoke
- TU-15 Increase tobacco-free environments in schools, including all school facilities, property, vehicles, and school events
- MICH-11 Increase abstinence from alcohol, cigarettes, and illicit drugs among pregnant women
- MICH-16.3 Increase the proportion of women delivering a live birth who did not smoke prior to pregnancy

- 1.2.1 Enforce public health laws and regulations including the Montana Clean Indoor Air Act
- 2.1 Implement evidence based health promotion and prevention programs.
- 2.2 Promote health by providing information and education to help people make healthy choices.
- 3.1.1 Implement quality improvement activities in collaboration with health care providers that increase the delivery of clinical preventive services
- 7.1.5 Maintain and seek resources to support public health programs and the public health system.

***Richland County will meet identified community needs by....***

***3) Addressing Health Behaviors related to Alcohol and Drug Use***

Indicator	<b>3.1</b> <i>Reduce the number of alcohol or drug related crashed from 29 in 2015 to 20 in 2019. (MDT Statistics &amp; Data, Crash Data 2016)</i>
	<b>3.2</b> <i>Decrease the percent of adults binge drinking from 22.8% to 16.3%% in Richland County by 2019. (CDC Community Health Status Indicators—15% was 2016 target)</i>

Strategy	Measure	Progress with Dates <sup>[3]</sup>
A. Reduce the number of alcohol-related crashes, death, and injuries through community education. <a href="#">Injury Prevention; DUI Task Force</a>	-3 annual community events hosted through partner collaboration regarding substance abuse	3 Token projects are held each year. Holiday Token Project, Farview Festival, RCF&R,. Also ,2017 Safety Day, 44 people drove the DUI golf cart obstacle course and 45 played table games
B. Continue to support efforts to decrease DUI's by supporting education for law enforcement and programs that encourage designated drivers or alternative transportation <a href="#">Injury Prevention; DUI Task Force</a>	-1500 tokens distributed and 250 tokens used in 3 years (2016-2019) - Number of utilization of alternative and public transportation.	-As of 12.13.17, 2090 Tokens have been distributed in 6 events, from January 2016 with 417 riders -Richland County Transportation, Sidney Shuttle

***7) Addressing Clinical Care issues related to Access to Care***

<b>Indicator</b>	<b>7.1</b> <i>Increase access to mental health services by decreasing the ratio from 1246:1 to 1000:1 by 2019 (healthier counties have a rate of 386:1). (County Health Rankings RWJF, 2015)</i>
	<b>7.2</b> <i>Increase the percentage of pregnant women in Richland County that receive care in the first trimester from 27.4% to 33.4% by 2019. (Community Health Profile for Richland County 2015)</i>

<b>Strategy</b>	<b>Measure/Evaluation</b>	<b>Progress with Dates</b>
<p>A. Create a resilient county by completing a table-top exercise that assesses the current process of addressing mental/behavioral/stress crisis/issues and identify gaps.</p> <p><a href="#">Mental Health LAC</a></p>	<p>Successful integration of behavioral health into primary care.</p> <ol style="list-style-type: none"> <li>1. A gap analysis</li> <li>2. A plan to address emotional issues created by life transitions</li> </ol>	<p>The "Connection Resources for Emotional Wellness" is a table top and it is tentatively planned for September 28, 2017. Facilitators have been identified and we are in the process of preparing a grant proposal for funding. (LAC, 3/2/17). Submitted a grant to MHCF for \$25,000.(7/11/17) We received funding (7/25/17) SHC worked with the National Council on Behavioral Health: a community partner meeting was held and SHC now screens a certain population of patients on a regular basis (LAC, 3/2/17) The tabletop exercise was completed October 26,2017. There were 3 - 4 priorities identified:</p> <ul style="list-style-type: none"> <li>• Coordinated trainings with focus on: MHFA; QPR;ACEs;SBIRT</li> </ul>

		<ul style="list-style-type: none"> <li>• Create an Emotional Wellness Campaign/resilient community</li> <li>• Create a system of “No Wrong” door to respond to emotional wellness issues</li> <li>• Use peers/volunteers to assist with emotional wellness support.</li> </ul> <p>A strategic planning session is planned for April 2018. A gap analysis was completed using the Surgeon General’s strategy for emotional and mental health. Resource manual was updated and a resource card was developed to distribute in April 2018. A toolbox for this process will be completed by June 2018. (LAC 3/31/18)</p>
B. Maintain a relationship with area healthcare providers. <a href="#">Mental Health LAC</a>	A complete chronic disease plan developed by Richland Health Network.	An assessment was completed and a new Chronic Disease Action Group will be formed in FY 17/18 (LAC, 3/2/17) Chronic Disease coalition not yet developed but looking at a “Age-friendly Cities and Counties” as a project to guide the new coalition. (7/11/17) A Chronic Disease Prevention action group planning meeting is set for 4/9/18 (LAC 3/31/18)
C. Improve access to healthcare programs through a community directory and health fairs. <a href="#">Mental Health LAC</a> ; <a href="#">Lifelong Learning</a>	-Implementation of a current and continuously updated community directory of healthcare resources. -3 Health Fairs held 2016-2019	A resource guide was up-dated. The resources identified at the CREW project will be gathered in used to up-date the resource manual further. (LAC, 3/2/17) Manual has been up-dated (7/11/17) A resource manual was updated and disseminated 3/15/18. A mental health resource card was created and will be disseminated by 4/30/18. 1 health fair was held specifically for men at the cancer center and 30 men attended. All were tested for colon, rectal and prostate cancer. (Chronic Disease Action Group 3/31/18). 1 health fair offered in 2016 with SHC, RCHD and other partners present and held at the extension office.

### 9) Addressing Social and Economic Issues related to Family and Social Support

<b>Indicator</b>	<b>9.1</b> <i>Decrease suicide rate from 19.8 per 100,000 to 10 per 100,000 by 2019. (Data for Community Health Assessments, Richland, 2011)</i>
	<b>9.4</b> <i>Decrease percentage of population who did not know where to refer someone with Mental Health Issues from 32.2% to 25% by 2019. (2015 Richland County CASPER)</i>

Strategy	Measure	Progress with Dates
A. Educate community on Mental Health issues and ways to address mental health problems. <a href="#">Partnership for Promise; Mental Health LAC</a>	- 3 Mental Health First Aid Trainings, 3 Adverse Childhood Experiences Trainings, 9 QPR Trainings held	There were 2 MHFA classes held; one ACES training. We are training 3 QPR trainers; extension trained 1 YAM trainer and Best Beginnings and partners are training 10 ACEs trainers. (LAC, 3/2/17) P4P/Best Beginnings (5/23/17): Hosted an Informed Trauma and Adverse Childhood Experiences training in April 2017. How many were trained? P4P/Best Beginnings (12/07/17) In 2016, 37 people were trained for ACES, 2017, 18 trained in Trauma Informed Training. The SHINE group was established and ran two successful events. This group is also working on developing suicide support groups. SHINE would like to work with the schools more in the future. (LAC, 3/2/17) This should be under LAC; they continue to be on the agenda but no up-dates however there is a group putting on an "Out of the Darkness" walk in September. (4/2018) 1 MHFA training provided; regular QPR classes (1 per month) being provided by County Extension, 1 ACEs presenter meeting held (7-30-18)
C. Continue to support the creation of a Crisis Center in eastern Montana <a href="#">Mental Health LAC</a>	-An identified location. -\$100,000 raised to assist with a Mental Health Crisis Center.	3 LAC members participated in an eastern Montana regional meeting and 2 members will attend a Substance Use Listening session in Billings(7/11/17) LAC is supporting regional work. Starting with a partners meeting in Glendive on January 30th. This will be a regional plan to address crisis and jail diversion - 1 grant and HB33 funds were secured for this process. GMC is also planning to open 3 crisis beds. Our funding goal was met. (LAC, 3/2/17)
